

Rector

Wrocław, 9th March 2016

Declaration of support for the European Charter for Researchers and Code of Conduct for the recruitment of researchers.

Wrocław University of Technology represented by the Rector, prof. Tadeusz Więckowski fully supports the Recommendation of the European Commission of 11th March 2005 on the European Charter for Researchers and on the Code of Conduct for the Recruitment of Researchers and declares its intention to respect and promote both documents among its employees.

Moreover, Wrocław University of Technology fully respects and realizes the resolutions of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers during the process of recruitment of researchers and upholds those resolutions in its development strategy.

Many rules of both the Charter and Code have been already followed by the Wrocław University of Technology for a long time and became a common practice. The University is taking the best endeavours to comply with all the remaining rules in the near future, in accordance with the Polish law and the University's internal normative acts.

Efforts will be made to encourage our researchers to even stronger involvement and promotion of both Charter and Code rules.

Yours sincerely,

Prof. Tadeusz Więckowski
