Who we are?

The MIT Enterprise Forum (MITEF) is a global organization of dedicated professionals with local chapters, affiliated with the Massachusetts Institute of Technology (MIT) through MIT Technology Review. We are open to all participants of the entrepreneurial ecosystem.

Our mission:

We inform, connect, and coach technology entrepreneurs. We are a global network of local organizations, inspired by MIT, and open to the world.

Our vision:

Our vision is to build a better world by accelerating the creation and growth of world-class technology companies.
